The Indianapolis Black Firefighter Association invites everyone to celebrate and honor Chief Kimbrew, the first black Fire Chief in Indianapolis.

Join the Indianapolis Black Firefighter Association as we honor his legacy with a dedication ceremony. The ceremony will include an unveiling of a memorial and the renaming of Indianapolis Fire Department Fire Station 1. Historically, Station 1 was the only station that African Americans were allowed to go in the years of segregation.

We pay tribute today and forever to Chief Joseph Kimbrew Sr. who served the citizens of Indianapolis with devotion, dignity, distinction, integrity, exceptional sacrifice, and the highest standards of professionalism
